ONGOING WORKING BEE

During the year members are asked to ensure that the facilities maintain their excellent condition. We achieve this by members doing some work every time they use the facilities. We have some weeds that need to be pulled out around the club, especially around the club buildings and shed, and up around the courts, including court 4 fence line near the kinder. Please take 10 minutes of your visit to pull out some weeds and do some general clean up. Please don't leave it to the same people to look after your club.
